NAVOGRUHA

A project under Navoarch LLP

We proudly introduce **NavoGruha** - the modern sustainable luxury home. Built with high-quality materials and finishes; and designed to be energy efficient, sustainable, contemporary, comfortable, smart and stylish.

Elevate your space with our turnkey solutions, where every detail is expertly crafted, making us your preferred choice for excellence in design and execution.

Reliable Timeline

High Quality Guaranteed

Budget Surge Proof

Why NavoGruha?

Most projects encounter significant setbacks due to multifaceted challenges across various fronts that are overwhelming for clients.

Lack of coordination, Contract conflicts, Delays in the project timeline and Quality negligence can all disrupt the client's plans and impact crucial deadlines, leading to unexpected surge in the project budget.

To combat this, we provide **End - to - End Turnkey solutions** to residential and commercial projects. These include Architectural design and planning, Construction consultancy and execution, Interior design and execution.

Our **Design-and-Build Integrated approach**, saves our client on energy, time and money; with reliable delivery timeline, no unexpected cost overrun and high-quality materials.

0 Time over run

0 Budget deviation

0 Quality non-compliance
